[Draft] SEALINK RUSSELL ISLAND

Hi Pete,

Thanks for taking the time the other day, on that day it was a follow up from our Executive Management in Central Office.

On Friday 6 December 2024 I was on Russell Island meeting SQW stakeholders, one of those meeting was attended by the Member for Redland, Rebecca Young.

Of the many things we covered she discussed the Sealink site and took me to see the location. From this meeting with Ms Young it would seem the original request came from her to the Minister for Employment and Training, seeking an update.

I provided Ms Young at the meeting a very brief outline you and I had discussed, around the scope of registration. I believe though cannot confirm Ms Young is very invested in this program and more could come to the fore this week.

Please reach out if you need anything.

Hi Will, we support the private location. I have seen it and we had Rebecca Young- Member Redland and she also likes the idea of it being a community setting and housing for vulnerable people at times like this. We will closely monitor there is no funding going to private parties.
